EXPERIENCE

Intern

Feuji

June 2026 – July 2026, Hyderabad

- Collaborated on an end-to-end AI-powered recruitment automation platform that streamlined workflows from JD generation to candidate screening, reducing manual shortlisting across 100+ candidate profiles.
- Developed an end-to-end email outreach platform that enabled the sales team to send personalized bulk emails to potential clients, leveraging OpenAI for content generation and AWS SES for reliable, high-volume email delivery.

PROJECTS

FinSight – Financial Insight & Legal Document Risk Analyzer –

- Developed a React-Flask application that analyzes financial statements and extracts key business metrics using AI-powered document processing.
- Implemented a legal document analysis feature that scans contracts and flags potential red flags or risky clauses.

ParkEase – Smart Parking Management System

- Built a Flask-based web application enabling users to register, view, and book available parking slots.
- Integrated Razorpay API for online payments and Google Maps API for location-based parking access.

MedLens – AI Powered Medical Report Analyzer

- Built a medical report analyzer that lets users upload blood reports and current medications, integrating the FDA API to flag potential Drug-Drug Interactions and a locally-hosted DeepSeek (via Ollama) model to generate AI-driven explanations of report insights and health risks.

EDUCATION

B.Tech in Computer Science – Data Science

Gokaraju Rangaraju Institute of Engineering and Technology (GRIET) • 2024 – 2028 • CGPA: 8.59

CERTIFICATIONS

Google Cloud Data Analytics Certificate

Google Cloud • 2025

SKILLS

Languages: Python, Java, JavaScript, C, SQL

Machine Learning/Data Science: Pandas, NumPy, Matplotlib, Scikit-learn, TensorFlow, Data Analysis, Data Visualization, NLP

Frontend: HTML, CSS, React

Backend: Flask, REST APIs

Tools/Platforms: Git, GitHub, VS Code

Core CS: Data Structures & Algorithms, OOP, DBMS

LEADERSHIP & ACTIVITIES

Corporate Relations Manager

Computer Society of India (CSI), GRIET

- Secured over ₹1.6 lakh in sponsorship funding through outreach and partnerships efforts.

Web Development Project Team

AAC (Advanced Academic Center)

- Collaborated with a team to develop a web-based project in first year and Competed in multiple hackathons, achieving Top 5 at KLH Hackathon.
